

## A Hymn for the Beginning of Advent

# Christ is Coming

Words: © Tom Gordon 2020

Suggested melody: *When he cometh* (RCH 158)

Theme: The expectation of the coming of Jesus

Christ is coming! Yes He's coming  
to show God is with us.  
As a child He'll dwell among us  
to live out God's love.

*Refrain* Like the sun in the morning  
every new day adorning,  
His light shines with beauty  
to make us His own.

Christ is coming! Yes He's coming!  
His light and His glory  
tell the world that sin is conquered  
by God's gracious love.

*Refrain* Like the sun in the morning ...

Christ is coming! Yes He's coming,  
and asks if we're ready,  
with our arms spread wide in welcome,  
and hearts filled with love.

*Refrain* Like the sun in the morning ...

Christ is coming! Yes He's coming!  
His Kingdom is dawning.  
With the precious gift of Jesus  
we know God is love.

*Refrain* Like the sun in the morning ...
